

PREMIER COLLEGE INTERN PROGRAM

FORCE SUPPORT

PAID FULL-TIME SUMMER INTERNSHIPS

We are seeking current undergraduate and graduate students to be trained as Force Support professionals to improve quality of life for Air Force active duty service members and their families by providing programs and services Airmen want and need. Our Force Support staff work at installations throughout the U.S. and abroad, providing everything from food services to human resources and business management to fitness and sports. The Force Support team meets the everyday needs of the Air Force community.

During your PCIP internship, you will work shoulder to shoulder with current Force Support Managers on challenging and rewarding projects, where you will make real contributions and gain invaluable real-world experience. As a PCIP Intern, you may qualify for a full-time position in our PALACE Acquire (PAQ) program once you complete your degree.

POSITIONS AVAILABLE IN THE FOLLOWING FIELDS:

Education Services

Human Resources

Military & Family Support

Child and Youth Programs

Manpower

QUALIFICATIONS & ELIGIBILITY

- U.S. citizenship required
- Full-time undergraduate student (junior) or graduate student enrolled in an accredited college or university
- Pursuing a BA/MA
- Cumulative GPA 2.95 or above
- Ability to obtain Security Clearance (funded by USAF)

POTENTIAL TO TRANSITION TO FULL-TIME PALACE ACQUIRE (PAQ) INTERN PROGRAM AFTER GRADUATING

- A formal 2-3 year training and career development track
- Real-world projects and missions
- Mentoring provided by Human Resources Managers, Readiness Managers, Instructional Specialists, and Data Analysts
- Opportunities to lead projects
- Annual performance-based promotions while in the PAQ program
- Placement into a permanent AFCS position as a professional-level Force Support Manager once the PAQ program is successfully completed

A FULL-TIME OFFER INCLUDES FEDERAL BENEFITS AS WELL AS THESE INCENTIVES:

- Recruitment Bonus for selected positions
- Student Loan Repayment
- Paid move to employment location (if required upon conversion to PAQ program)
- 100% Tuition Assistance toward a graduate degree while in the PAQ Program

PREMIER COLLEGE INTERN PROGRAM

CIVIL ENGINEERING

PAID FULL-TIME SUMMER INTERNSHIPS

We are seeking current undergraduate and graduate students to be trained in the Civil Engineering (CE) disciplines. The Air Force Civil Engineering Career Field encompasses a variety of occupations beyond traditional civil engineering, including architects, realty specialists, housing managers, environmental professionals, financial managers, biologists, firefighters, electricians, and more. These CE professionals are responsible for the Air Force's largest weapon system — its installations. As critical members of our team, CEs provide diverse expertise and leadership needed to secure our nation's defense.

During your PCIP internship, you will work shoulder to shoulder with current AFCS Civilian Engineers on challenging and rewarding projects, where you will make real contributions and gain invaluable real-world experience. As a Premier College Intern, you may qualify for a permanent full-time position in our PALACE Acquire (PAQ) program once you complete your degree.

POSITIONS AVAILABLE IN THE FOLLOWING FIELDS:

- | | |
|------------------------|--------------------------------------|
| Civil Engineer | Architect |
| Electrical Engineer | Biological Scientist (Environmental) |
| Environmental Engineer | Physical Scientist |
| Mechanical Engineer | Community Planner |

QUALIFICATIONS & ELIGIBILITY

- U.S. citizenship required
- Full-time undergraduate student (completed a minimum of 60 credits as an undergraduate) or graduate student enrolled in an accredited college or university
- Pursuing a BS/MS in Engineering, Architecture, or related fields
- GPA 2.95 or above and in good academic standing
- Ability to obtain Security Clearance (funded by USAF)

POTENTIAL TO TRANSITION TO FULL-TIME PALACE ACQUIRE (PAQ) INTERN PROGRAM AFTER GRADUATING

- A formal 2-3 year training and career development track
- Real-world projects and missions
- Mentoring provided by AFCS Civil Engineers
- Opportunities to lead projects
- Annual performance-based promotions while in the PAQ program
- Placement into a permanent AFCS professional-level Civil Engineering position once the PAQ program is successfully completed

A FULL-TIME OFFER INCLUDES FEDERAL BENEFITS AS WELL AS THESE INCENTIVES:

- Recruitment Bonus for selected positions
- Student Loan Repayment
- Paid move to employment location (if required upon conversion to PAQ program)
- 100% Tuition Assistance toward a graduate degree

PREMIER COLLEGE INTERN PROGRAM

CONTRACTING (PROCUREMENT)

PAID FULL-TIME SUMMER INTERNSHIPS

Contract Specialists are at the heart of a complex process relying on sound business acumen and analytical skills to deliver innovative and strategic business solutions that include everything from complex aerospace systems such as satellites, electronics, and high-performance aircraft to commercially available supplies and services necessary for the day-to-day operation of a military installation.

As Mission-Focused Business Leaders, Air Force Contracting Specialists are at the forefront of leveraging quantitative skill sets to analyze proposals and negotiate, execute, and administer contracts to fly, fight, and win in air, space, and cyberspace.

Come join us and be part of a dynamic team responsible for all facets of contracting as a mission-focused business leader who provides strategic sourcing expertise providing innovative business solutions.

QUALIFICATIONS & ELIGIBILITY

- U.S. citizenship required
- Full-time undergraduate or graduate student enrolled in an accredited college or university
- Sophomore year or beyond (including master's student) with one semester remaining after internship
- GPA 2.95 or above and in good academic standing
- Ability to obtain Security Clearance (funded by USAF)

POTENTIAL TO TRANSITION TO FULL-TIME COPPER CAP (COP) INTERN PROGRAM AFTER COLLEGE GRADUATION

- This program is designed to prepare college graduates, with at least a bachelor's degree, for a career as a Contract Specialist. Copper Cap (COP) interns experience both personal and professional growth during their three-year program.
- They are assigned to work with Contracting Specialists and Officers to receive formal on-the-job training in all aspects of contract management.

A FULL-TIME OFFER INCLUDES FEDERAL BENEFITS AS WELL AS THESE INCENTIVES:

- Repayment of federal student loans - up to \$30,000
- Recruitment incentive of 10% of starting salary with a master's or greater
- Recruitment incentive of up to 35% of starting salary for high-cost areas
- 100% Tuition Assistance may be available toward a graduate degree while in the COP Program

To apply for this amazing program, email PDFs of the following documents to afpc.coppercapinterns@us.af.mil

- Resume (please specify hours per week worked for any jobs listed)
- Copy of "Unofficial" Transcript (may be e-transcript)

PREMIER COLLEGE INTERN PROGRAM

SPECIAL INVESTIGATIONS

PAID FULL-TIME SUMMER INTERNSHIPS

The Air Force's Office of Special Investigations (OSI) is a federal law enforcement and counterintelligence agency. Armed with elite investigative training and state-of-the-art technology, OSI's special agents pursue justice as they conduct criminal and counterintelligence investigations, investigate cybercrime, and provide specialized investigative services such as crime scene investigations and digital forensics.

We are seeking current high-potential undergraduate and graduate students to be trained as OSI Criminal Investigators. If selected, students will intern at an OSI Detachment and shadow fully-credentialed federal agents at select Air Force installations. Successful PCIP interns may qualify for a full-time federal law enforcement position within our agency after college graduation.

QUALIFICATIONS & ELIGIBILITY

- U.S. citizenship required
- Full-time undergraduate student (junior) or graduate student enrolled in an accredited college or university
- GPA 2.95 or above
- Possess a valid driver's license
- Pass all medical and physical requirements
- Ability to obtain Security Clearance (funded by USAF)
- Pass rigorous background investigation

POTENTIAL TO TRANSITION TO FULL-TIME PALACE ACQUIRE (PAQ) INTERN PROGRAM AFTER COLLEGE GRADUATION

- A formal 3-year training and career development track
- Training at the Federal Law Enforcement Training Center (FLETC)
- Real-world investigations and missions
- Mentoring provided by experienced special agents
- Annual performance-based promotions while in the PAQ program
- Placement into a permanent AFCS position as a Criminal Investigator once the PAQ program is successfully completed

A FULL-TIME OFFER INCLUDES BENEFITS AS WELL AS THESE INCENTIVES:

- Student Loan Repayment may be available
- Paid move to employment location (if required upon conversion to PAQ program)
- 100% Tuition Assistance may be available toward a graduate degree while in the PAQ Program
- Training opportunities in advanced investigative techniques
